Re: United States v. Anthony Tuozzo
10 Cr 68 (SJ)

Dear Judge Johnson:

By Report and Recommendation dated July, 28, 2011, Magistrate Judge Gold denied Mr. Tuozzo's motion to suppress an identification of him by a witness. My objections to the Report are due to be filed by August 15, 2011. By this letter, I am respectfully requesting additional time, until September 2, 2011, to file my objections with Your Honor.

The government has consented to this request.

Respectfully yours,

/JRF/

James R. Froccaro, Jr.
